The Menomonee Club for Boys & Girls can help you market your business. If you are interested in marketing to Chicago families from over 140 Chicago schools covering 78 Chicago zip codes – we can help you reach your target market.

Dear Potential Sponsor,

Perhaps you have heard about us? We have been in the neighborhood for over 65 years enriching the lives of Chicago's kids. More than likely, your children or someone you know has spent some time with us. We are Chicago's premier not-for-profit provider of quality sports and educational enrichment programs for children ages 18 months – 18 years of age. We are The Menomonee Club for Boys & Girls.

- We offer 50 programs with over 150 classes per session
- Our three buildings are open from 6am till 11pm, 7 days a week.
- We are more than just a classroom or a gym. We are a second home for many of our kids and their families.
- We are a not-for-profit organization.

Our Goal: To keep our course fees low and affordable.

The Problem: The course fees charged to our kids only cover about 75% of what a program costs to run.

The Solution: That is where you, the sponsor, are needed. We must fundraise the remaining 25% to support our programs and children who need scholarship to attend.

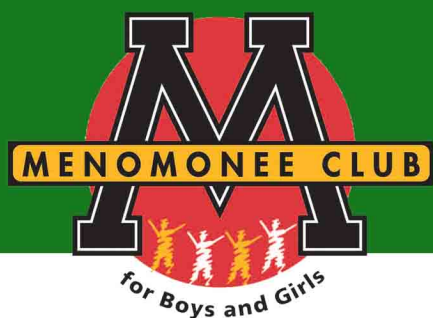

How It Works: For just \$1,000 per year you can become a sponsor of The Menomonee Club and ensure that we can continue to provide your favorite classes to Chicago's kids. We recognize you on T-shirts, direct marketing, our website, e-news blasts, and displays throughout our facilities!

Please take a minute to look at the sponsorship packet enclosed. The Menomonee Club for Boys & Girls would be honored to have you as a sponsor and as a member of our Team. We rely on your generosity and can't continue our good work without the support of people like you!

Please consider sponsorship with us today!

Most Sincerely,

Neal Bader

WHO WE ARE

MISSION

The not-for-profit Menomonee Club for Boys & Girls is dedicated to providing children from diverse backgrounds with quality recreation and enrichment activities that foster personal growth and skill development.

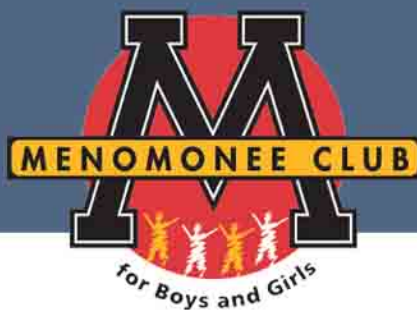

HISTORY

The Menomonee Club has been improving life for children in Chicago for more than 66 years. It was established by a group of caring community folks in 1946 with a handful of kids in a little storefront on Sedgwick Street in Old Town. The goal was to provide a safe and happy environment where kids could come together to learn, play and have fun.

MENOMONEE NOW

Today's Menomonee Club offers over 150 classes a session from fitness boot camp, private music lessons, a world-class dance company, theater programs, educational enrichment programs to sports leagues and nationally ranked sports teams. The handful of kids has grown to over 3,500 a year, ages 18 months to 18 years old. We now are housed in three buildings located in Old Town, Lincoln Park, and Uptown, and we give away more than \$35,000 in scholarships annually. We may be bigger – but our core values of fair play, kindness, a healthy lifestyle and fun haven't changed. We like to think we are special – an oasis for families from varied neighborhoods and schools to come together to learn, laugh, play and build friendships in one of the world's largest and most diverse cities.
